FRANCHISE PROSPECTUS

PROFESSIONAL CLEANING, DONE PERSONALLY

A SMARTER WAY TO WORK. A BETTER WAY TO LIVE.

The NorthClean Difference

NorthClean is a family-owned commercial cleaning franchise built on honesty, reliability, and a refreshingly personal approach. With our origins in Whangārei, we've built a business that puts people first, offering flexible work, steady income, and genuine support.

For over 15 years, we've delivered high-quality cleaning services to local businesses, schools, and offices across Northland. We've seen firsthand how this industry can offer both freedom and fulfilment, and now, we're ready to help others do the same.

Our hands-on approach has driven strong organic growth, long-term client relationships, and consistent referrals. With demand now exceeding capacity, introducing Franchise Partners will allow NorthClean to expand sustainably without compromising quality, while allowing local owner-operators to build profitable, community-focused businesses.

Whether you're seeking lifestyle flexibility or aiming to build and lead a growing team, NorthClean offers a proven business model with low overheads, strong demand, and ongoing guidance at every stage of your journey.

What sets us apart isn't just what we clean, it's how we operate.

MEET THE FOUNDERS

Built From the Ground Up

In 2004, Ben and Jo bought their first business and stepped away from the corporate grind, leaving careers in an oil refinery and a dental clinic for something simpler, more fulfilling, and surprisingly profitable. Working just a few hours a day, they earned well while still enjoying school drop-offs, beach days, and mid-week fishing trips. It was a level of flexibility they hadn't realised was possible.

With a family legacy in the industry dating back to the 1980s, Ben and Jo bring strong operational experience, a hands-on approach, and a genuine commitment to doing things properly. They understand what it takes to succeed because they've done it themselves, and are now ready to share that success with others.

Over time, they merged with family operations, acquired other cleaning businesses, and expanded across Northland. This growth helped shape a model built on strong relationships, consistent quality, and a genuine commitment to both clients and the people delivering the service.

Northclean is led by Ben and Jo, a husband-and-wife team.

“NorthClean is built on fairness, shared success, and genuine support. We didn't franchise to grow fast. We're franchised to grow right.”
